For Thin Babies

Fat is of great account to a baby; that is why babies are fat. If your baby is scrawny, Scott's Emulsion is what he wants. The healthy baby stores as fat what it does not need immediately for bone and muscle. Fat babies are happy; they do not cry; they are rich; their fat is laid up for time of need. They are happy because they are comfortable. The fat surrounds their little nerves and cushions them. When they are scrawny those nerves are hurt at every ungentle touch. They delight in Scott's Emulsion. It is as sweet as wholesome to them.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. Postoffice drug store.

Wedding Anniversary Reception.

Mr. and Mrs. Simeon T. Sistrunk will give an elegant reception at their home on the afternoon of Thursday, December 22. The occasion is the fifteenth anniversary of their marriage and it will be a crystal reception. The special guests of honor at this lovely affair will be Miss Esther Weathers and Misses Mabel and Edith Taylor, of Cincinnati, Ohio, who will be the guests of Miss Weathers.

Both the ladies and gentlemen are invited to Mr. and Mrs. Sistrunk's reception, which will be one of the largest and most delightful affairs ever given in Ocala.

The turkey that escaped Thanksgiving will hardly be so fortunate Christmas. Alas, not for the poor, but for the fat turkey!

Another New Firm.

Messrs. Marcus Frank and Thomas E. Harris have rented the W. C. Jeffords store for a period of three years and on January 15, 1905, will open with an entirely new stock of goods.

The name of the new corporation will be the Frank-Harris Variety Store and will carry a stock unlike anything in Ocala.

Mr. Frank, the senior member of the new firm, is one of the best merchants in Ocala and is a young gentleman of most pleasing and popular manners, and the junior member of the firm is also a young man of steady, upright business habits, and having been born and reared in Ocala, has a large circle of friends and the prediction is general that the new firm will be a success from the start.

Heart Fluttering.

Undigested food and gas in the stomach, located just below the heart, presses against it and caused heart palpitation. When your heart troubles you in that way take Herbine for a few days. You will be all right. 50c. Anti-Monopoly drug store.

Councilman Ford, chairman of the finance committee, has had an offer for the new issue of Ocala bonds at a premium of \$1,012.50 but the firm making this offer wants the denominations changed from \$100 to \$1000 and the interest made payable in New York instead of Ocala. For the purpose of making these changes a new election will have to be called and the same voted on by the people.

"I don't take much stock in this advertising," said one of our business (?) men as he whittled on the end of his yard stick in front of his place the other day.
